# What others are saying about MSP . . .

"MSP is an amazing program / system! We are transforming our printing company to a "Marketing Solutions Provider" company. Rather than selling products / services we are now in the business of helping our clients discover and implement turnkey profitable solutions."

Jerry Hays / David Vaughan

"As a CPA I now have the knowledge and experience through the MSP certification to assist my clients in developing powerful / profitable systems in leadership, hiring, training, mentoring, marketing, pre-sales, sales, servicing, creating clients for life and partnerships."

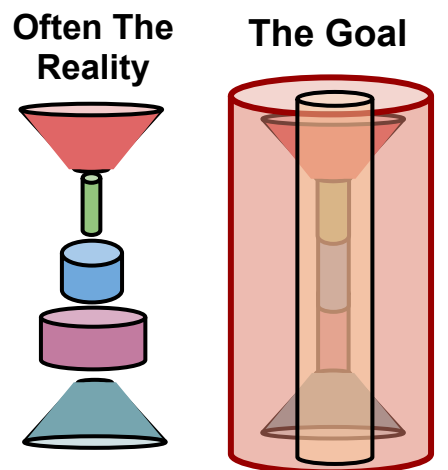

Scott Allred

"I have never experienced anything like the MSP. As past President of CENTURY 21, I oversaw over 140,000 sales professionals in over 70 countries. My own personal belief is that for any business owner, any sales professional who desires to earn more than \$250,000 a year, the MSP is required."

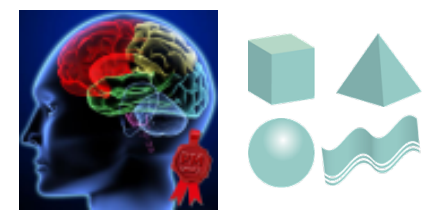

Tom Kunz
