We've all been to networking events where we connect with a lot of people. Great questions to ask ourselves are: "Does every networking event make us money?" "How will I earn over \$100,000 a year due to networking?" "Who are my best three leads from this event?" Mark Boersma, international speaker, author, and executive coach has developed a unique process, which will, when used properly, turn every networking opportunity into a massive wealth creation machine.
